WORK EXPERIENCE

- Residence in Information and Technology on Legal Area** August 2017 - January 2019
- As a residence at Court of Justice of Rio Grande do Norte I was involved in several projects, mostly using Java. I developed software that used *Web Scraping* technique to integrate projects from different locations that did not provide an *API*. More information: <https://residenciatiitjrn.imd.ufrn.br/>
- Full-stack developer Ruby on rails - Startup Doze** January 2017 - December 2018
- As a developer at startup Doze, I was involved in the process of designing, prototyping and creating an affiliate management system, which was responsible for selling affiliations online. The website had both administrator and affiliate areas. The system targeted medium and small football clubs.
